

Option #1

In-House Expert Advice plus Hand-Sketch Design

- Do you have a small area you need ideas for, but don't require a full landscape plan?
- Our in-house experts will give you professional advice and design ideas. Plus a quick hand-sketched to help visualize our recommendation.
- We will walk you through our nursery and huge plant selection to show you our best recommendations.

- Please bring in a photo of the area, plus the dimensions of the space.
- *Call for appointment.

Fee: \$50 for a 45 minute appointment.

Option #2

On-Site Consultation

- Do you have an existing garden that needs refreshing?
- Looking for new design ideas to spruce up your garden?
- Our Design Expert will walk through your garden
- Ideas and solutions for difficult growing areas.
- Plant recommendations and identification.
- Pruning and plant care advice.
- Introduce native plant species, medicinal plants, and organic gardening.

Fee: \$100 / hour
A typical session is 1-1½ hours.

Option #3

Visual Landscape Design

Do you have a new home, or a newly dug bed with no landscaping?

What this is:

- We will super-impose our plant graphics into the photo you supply of the desired landscaping space - you will see a beautiful representation of your completed landscape before even starting!
- Perfect for new homes with no existing landscape or obstructions to the photo.

Who are you:

- Great for the 'do-it-yourselfer'!
- Would like a full visual representation of what the proposed design would look like before starting.
- You have a small to average space which could be captured with one photo.

What we will need:

- A photo (you can email us an image!) and dimensions of the desired space to be landscaped.

Fee: Starts at \$200

Plus \$50 for 3, 3D perspectives

Option #4

Full Landscape Design Service

Fully labelled, to-scale landscape design plan includes:

Initial On-Site Consultation

- Determine site requirements
- Use of space
- Establish sense of style
- Incorporate wish list
