Option #1

In-House Expert Advice and Hand-Sketch Design

Who are you:

- Don't require us to visit you on-site.
- Have a small area that you need ideas for – a hand-sketch is needed, but a full landscape design is not necessary.
- Time is of essence, and you want to get planting right away!

What will you receive:

- Professional advice and design ideas by our in-house horticultural experts.
- 'Quick-and-easy' hand sketch design to help you visualize our recommendations.
- We will walk you through our nursery and huge plant selection to show you our best recommendations.

Helpful to us:

- Please bring us a photo and dimensions of the space you would like recommendations on
- Call us in advance to pre-determine a suitable time to meet

Fee: \$40

this fee is fully refunded upon accumulated nursery purchases of \$500 or more.

Option #2

On-Site Consultation

Who you are and what you will receive:

- Have an existing garden that needs refreshing.
- Looking for design ideas and planting suggestions.
- Ideas and solutions for difficult growing areas.
- Plant recommendations and identification.
- Pruning and plant care advice.
- Require a 'garden buddy' or 'mentor' to assist in small scale dividing and transplanting – ideal for seniors!
- Introduce native plant species, medicinal plants, and organic gardening.

Fee: \$100 / hour

A typical session is 1-1½ hours.

Option #3

Visual Landscape Design

What this is:

- We will super-impose our plant graphics into the photo you supply of the desired landscaping space - you will see a beautiful representation of your completed landscape before even starting!
- Perfect for new homes with no existing landscape or obstructions to the photo.

Who are you:

- Great for the 'do-it-yourselfer'!
- Would like a full visual representation of what the proposed design would look like before starting.
- You have a small to average space which could be captured with one photo.

What we will need:

- A photo (you can email us an image!) and dimensions of the desired space to be landscaped.

Fee: Starts at \$200

Option #4

Full Landscape Design Service

Fully labelled, to-scale landscape design plan includes:

Initial On-Site Consultation

- Determine site requirements
- Use of space
- Establish sense of style
- Incorporate wish list

Architectural Landscape Design Plan (AutoCAD)

Plant Bed Design

- Trees • Shrubs • Perennials • Annuals

Hardscape

- Decks • Patio • Walkway • Pool
- Cabana • Hot Tub • Driveway • Shed
- Sculptural Elements • Privacy Screen

Quotation of plant material Post consultation upon completion of design

Fee: Starting \$500 front yard or backyard based on average size property (50'x100')
