

ALL THE LATEST DIRT

Canada Blooms THE FLOWER AND GARDEN SHOW

Bus Tours March 18-20, 2009

Climb aboard a luxury coach to Canada's premier garden and flower show. Departing from both Trenton and Waterdown, enjoy a relaxing trip into the city where spring awaits in the form of beautiful gardens and exhibits!

From Waterdown: \$45

From Trenton: \$55

This price includes everything you'll need to get from Cannon Nurseries to the front door of Canada Blooms—including admission to the show!

NEW FOR THESE TOURS: We have made an exciting improvement to the bus tours this year. We will be giving away \$55 worth of coupons to everyone that joins us on the tour! Use these coupons towards garden purchases throughout the year. By the end of the gardening year, the net result will be a FREE Canada Blooms Bus Trip & Show!

- \$5 Off any \$20 or more purchase of Spring Annuals
- \$5 Off any bag of Turf Revolution Organic Lawn Food
- \$5 Off any Rose Bush of your choice
- \$5 Off any \$20 or more purchase of Fall Garden Mums
- \$5 Off any Christmas Tree
- \$10 Off any Pump or Pond Kit
- \$10 Off any Shade Tree
- \$10 Grow Dollars will be given to you towards the purchase of anything!

9th Annual Tots-in-Pots Photo Day

Saturday April 4, 2009

A professional photographer will be in Waterdown to take photos of your 0-4 year old children 'planted' in pots. Our tropical plants are the backdrop for these fun and popular pictures; they make a great gift or keepsake. We are taking reservations today!

Connon School of Gardening

LANDSCAPE DESIGN PART 1

Wednesday, April 1, 2009, 7:30 – 9:30 p.m.—\$25.00

This session will be for those starting a garden from scratch. We will cover evaluating the site, plant material for sun, partial shade and full shade and four season interest. These basics will then be tied in with such design principles as colour, repetition, proportion and contrast. Whatever your personal style, learn how to put it all together with the minimum of mistakes and the greatest effect.

LANDSCAPE DESIGN PART 2

Wednesday, April 8, 2009, 7:30 – 9:30 p.m.—\$25.00

Renovating existing gardens and borders will be the focus of this session. When is it time to renovate? What's worth keeping? How does one incorporate new plants into an existing scheme? Older gardens often need more than new plants and design ideas. Basics like soil amendment and pruning need to be addressed as well. Be encouraged that your seemingly "tired" garden can be given a new and healthy life with these practical tips.

FANTASTIC FLOWERING PLANTS FOR YOUR GARDEN

Wednesday, April 15, 2009, 7:30 – 9:30 p.m.—\$25.00

Explore the world of flowering trees, shrubs, broadleaf evergreens, roses, vines, perennials and annuals. Learn which plants flower the longest and how to sequence bloom from March to November for sun or shade. How to plant containers that give months of bloom and colour will also be discussed. Get more from your new or older garden with these colourful performers.

FABULOUS FOLIAGE FOR YOUR GARDEN

Wednesday, April 22, 2009, 7:30 – 9:30 p.m.—\$25.00

When plants aren't blooming what else is there to look at? This is when one wants handsome, even colourful, foliage to carry the garden along from month to month. For winter, evergreens provide the structure. For the other seasons ornamental grasses, annuals and perennials can be relied upon to fill in sunny or shady areas. See what can perk up your garden for a professional, finished look.
