Connon Nurseries Celebrates 100 Years!

Join us this season in celebrating our 100th Anniversary! Since 1906, Connon Nurseries has been serving the community and surrounding area, providing quality plants, service, and expertise. As a leader in the nursery industry, Connon Nurseries enters its next century striving to exceed your expectations. Watch for many price savings and various events throughout the year to help us celebrate 100 years! As we turn the page on our next chapter, you will notice many positive changes along the way; all to improve our service to you. The first of such transformations will be the method by which we communicate with you. It is our goal to keep you more informed and up-to-date on many of our specials, events, and timely gardening tips throughout the growing season. If you have an email address, and would like to receive "All the Latest Dirt" in a fast and timely fashion, please visit our website at www.connon.ca and subscribe with us today! Help us save paper, and allow us to pass on these savings to you!
