Cannon School of Gardening

SERIES #4: GARDENING WITH PERENNIALS - Waterdown Garden Centre only

Wednesday evenings, 7-9 p.m., March 12, 19, 26, April 2, 2008

With thousands of perennials from which to choose, how do you select a few to put in a mixed border or a lot to make a perennial border? How do you create a continuous sequence of bloom from March to November? Enjoy slide surveys of the best perennials, ornamental grasses and ground covers for sun, drought, partial shade and full shade including dry shade under major deciduous trees. We'll also discuss how to get started including soil preparation, ongoing care and maintenance and things that can go wrong. Then we'll move on to design issues of colour, form, texture and bold effects. But be warned – once you start planting perennials you'll be hooked in no time due to their enduring charm and variety. Reserve your seat now!

\$25.00 per session or \$90.00 for series of 4
Also watch for our April sessions posted soon!

Free Repotting! March 19-22

Bring us your houseplants that are in need of repotting and we'll provide our free repotting service! We'll provide the expertise, labour, and soil at no charge to you. We have a great selection of pots available for you to purchase, livening up those tired plants. Limit of 5 plants per customer. Offered both in Waterdown & Trenton locations.

Also during this time:
Houseplants Buy 1 get the 2nd half off.
Selected pottery 30%-60% during this event only.

ALL THE LATEST DIRT

8th Annual Tots-in-Pots Photo Day Saturday April 12, 2008

A professional photographer will be here to take photos of your 0-4 year old children 'planted' in pots. Our tropical plants are the backdrop for these fun and popular pictures; they make a great gift or keepsake. We will begin taking reservations April 1st.
